	Total ...	697

APPENDIX II.

[*Vide* answer to unstarred question No. 7 on page 297]

DETAILS RELATING TO THREE CENTRALLY-SPONSORED SCHEMES ARE FURNISHED BELOW :

(1) *Special Nutrition Programme.*

This scheme provides for supplementary nutritious food to pre-school children in the age group of 6 months—3 years residing in urban areas and Tribal Blocks, as a measure to fight mal-nutrition and under-nutrition. Each child is given 3 slices of bread weighing 75 gms. per day for 5 days a week. The Government of India reimburse the State Government the expenditure at the following rates per day per child :—

(1) 18 paise for food charges; and

(2) 5.5 paise for transport and administration charge.

2. So far, 1,53,357 urban slum children have been covered in the 20 urban areas including Madras City, Madurai City and the belt area around Madras City and 1,300 tribal children in

31st January 1972]

the two Tribal Development Blocks of Kolli Hills and Yercaud. All the beneficiaries are children in the age group of 6 months—3 years. The Government of India propose to include in the current year's Special Nutrition Programme, all pre-school children in the age group of 0–6 years and also the expectant and nursing mothers residing in these two special areas and the Government of India have also fixed the urban target for the current year as 1,56,000 and the Target for Tribal Development Blocks as 3,000. This expanded programme is yet to be introduced in this State.

(2) *Demonstration Feeding Programme (Central sector).*

This scheme is implemented in 28 selected Development Blocks and 3 centres per Block have been started. Feeding is done for 80 beneficiaries daily, i.e., 30 pregnant and lactating mothers, 30 pre-school children and 20 infants incurring feeding expenses at the rate of 25 paise per adult per day and 15 paise per child per day. Balasevikas are paid an honorarium of Rs. 40 each per month and they are assisted by Associate Women Workers each of whom is paid an Honorarium of Rs. 30 per month. Preparations made out of locally available nutritious and cheap varieties of vegetable, greens, cereals, and pulses are given, supplemented by egg, milk and fish wherever available. The provision allotted for this programme for 1971–72 is Rs. 4.8 lakhs.

(3) *Family and Child Welfare Project.*

Through this programme, a composite approach is attempted to consolidate the activities organised for women, children, school children, etc. During 1969–70, 2 Projects have been started at Kurunjipadi in South Arcot and Villivakkam in Chingleput district and 2 more projects have been started at Athoor in Madurai District and Perianaickenpalayam in Coimbatore dis-district during 1970–71. Each project has one main centre and 5 sub-centres. This programme provides for (1) pre-school children below 6 years and (2) a training programme for women in Home Science, Dietism, Nutrition, Health, Family Planning, Nursing, etc.
